

Reading Bingo – Homework Challenge

After celebrating World Book Day at the beginning of the month, the School Council has created a Reading Bingo Challenge for April and May to help us continue showing our love of books.

Your task:

- Colour in each bingo square as you complete a reading challenge.
- Aim for 5 in a row or, if you enjoy a challenge, try to complete them all!
- Keep a record of the books you read and/or create a photo collage showing the challenges you've completed.

You can complete the challenge independently or with a grown-up. **Remember, this challenge is all about encouraging reading, enjoying reading and discovering new books together.**

Deadline: Tuesday 2nd of June.

Read a recipe and cook something tasty to enjoy whilst reading a book.	Join your local library so that you can enjoy a variety of books for free.	Read a story to a pet. OR Facetime a relative and read them a story.	Listen to an audio book.	Read and learn 5 new jokes to share with your friends.
Read together with your grown-ups by taking turns reading pages or chapters.	Build a reading fort using blankets over chairs or furniture. Add pillows to make it super comfy and cozy whilst reading your book.	Teach 5 new Welsh words from your book to a relative.	Create a setting or character from your book using paints, colours, LEGO, blocks, Play Doh or recycled items.	Read a Comic or graphic novel.
Choose the same book as your friends and read it together, like your very own mini book club.	Enjoy reading a book before sleeping every night for a whole week/30 days.	Read a book about a sport or sporting personality.	Read a book outside on a sunny day.	Read and follow the instructions on a seed packet, then plant the seeds and watch the flowers grow to help the bees.
Read a book that your grown-up loved when they were your age.	Read 5 books by 5 different authors.	Think your tough?! Try reading a scary book and see how brave you truly are!	Enjoy reading and learning a new poem. Can you perform it for someone?	Think you know fairy tales? Read a traditional or classic fairy tale. Can you find a story you haven't heard before?
Read a book that has been made into a film. (We bet you the book is better!)	Pick a new reading series. How far will you get by the first of May?	Read a book set in Wales or written by a Welsh author.	Read a book published in the year you were born.	Play some music whilst you enjoy reading your book.
