Venue: Cross Hands Cinema, Carmarthen Road, Cross Hands, SA14 6SU

This project is designed to provide memorable experiences for children who may face additional challenges or barriers to accessing leisure activities, including young carers, children eligible for free school meals, and families experiencing financial hardship. The event aims to promote social inclusion, reduce isolation, and create positive shared experiences that support children's wellbeing.

Toy Story 5 continues the beloved story of Woody, Buzz Lightyear, and their friends as they embark on a brand-new adventure filled with friendship, courage, humour, and heart. The film explores themes of belonging, resilience, and the importance of supporting one another—messages that resonate strongly with young audiences.

By removing financial barriers and providing free access to a major family film release, this Tesco-funded initiative will give children the chance to enjoy a fun and engaging cinema experience, make lasting memories with peers and family members, and participate in an activity that many might otherwise be unable to access.

The screening will celebrate community spirit while ensuring that every child, regardless of their circumstances, has the opportunity to experience the magic of the movies. Pre-booking is essential. Please book using the link below and the password:
