Dear Parents/Guardians,

'End Polio Now' is a sponsored activity to support the **Purple for Polio** campaign to end polio, now and forever.

We are excited to share that our **RotaKids Committee** has chosen to support **Rotary International's campaign to End Polio Now**. Polio is a devastating disease that still affects children in some parts of the world, but together, we can help make it a thing of the past.

To raise awareness and funds for this vital cause, we will be holding a "**Purple for Polio**" day on **Thursday, 23rd October**. The border between the last two polio-endemic countries, Pakistan and Afghanistan, is over 1,240 miles. On this day, pupils are invited to **wear something purple** and join us in walking **1,240 steps** — representing the many miles walked by volunteers around the world to deliver life-saving vaccines.

We kindly ask for a **£1 donation per child**, payable via **ParentPay**, to support this important campaign.

Each polio vaccination can cost as little as **20p**, so your donations can literally **save lives** and help make history. What's even more inspiring is that **every donation to Rotary is trebled by the Bill & Melinda Gates Foundation**, meaning that **every £1 becomes £3** — tripling the impact of your generosity.

Yours sincerely,

S Jones
